

GEHEIMRAT J. WEGELER RIESLING MOSEL SONNENUHR SPÄTLESE 2016

91p

Much more herbal than most of the 2016 spätlese from the Mosel, but juicy enough that it's also got some immediate appeal. You could drink this right away or any time during the next 5 years.

GEHEIMRAT J. WEGELER RIESLING MOSEL BADSTUBE KABINETT 2016

A very attractive Mosel riesling, but rather round and generous for kabinet. Very good balance at the finish. Great with summer salads or smoked fish. Drink now or in 2018 and 2019.

WEGELER RIESLING RHEINGAU ROTHENBERG TROCKENBEERENAUSLESE

2016

97p

This is a massive, very sweet TBA with all the richness and power you expect from this category. The dynamic acidity drives the very long finish like a formula one sports car, but the wine still several years off optimum drinking age. Try to be patient through at least 2023 because then this will be packed with honey and dried fruits character. Great potential!
